Dear Members,

Effective **1 September 2026**, the Club will disable the **card reader at the Security Post of the Multi-Storey Car Park.**

Members Who Have Registered for License Plate Recognition System (LPR)

Your registered vehicle number plate will be automatically recognised by the LPR system, allowing you to enter the car park **without using your membership card.**

Members Who Have NOT Registered for License Plate Recognition System (LPR)

You will still be able to enter the car park, but you will be required to **register with the Security Guard at the Security Post upon each entry**, which may cause inconvenience and delays.

REGISTER 3RD VEHICLE ONWARDS

A maximum of **two (2) vehicles per family membership** is allowed without additional charges.

For the **3rd vehicle onwards**, the Club will impose a **one-time charge of RM20 per vehicle**.

Members registering additional vehicles from the 3rd vehicle onwards should use the following form:

We strongly encourage all members who have not yet registered their vehicle(s) to complete the registration **before 1 September 2026** to avoid inconvenience and delays when entering the Multi-Storey Car Park.

Thank you for your cooperation and support as we continue to improve the Club's **security, efficiency and vehicle access system**.

Thank you.
