

 **REMINDER –
WHATSAPP COMMUNITY SUB-GROUPS**

Dear Members,

As mentioned in our earlier notice, effective tomorrow, 16 August 2026, relevant announcements and notices will be posted in the respective WhatsApp Community sub-groups.

Members who have not yet joined the relevant sub-groups will not be able to view the announcements posted there.

We strongly encourage all members to join the sub-groups relevant to your areas of interest to ensure you do not miss any updates, announcements or notices.

The General Announcement page will now be reserved for Club-wide announcements and important notices only.

Thank you for your cooperation and support in helping us make our Club communications more organised and effective.
