

## PENANG SWIMMING CLUB. RACKETBALL & SQUASH SECTION.

Penang Swimming Club has 2 squash courts on the 4<sup>th</sup> floor of the Tower block. In January 2018 they were entirely renewed, and the wood floor re-laid. Members may book a court by 'phone at PSC Reception. They may bring guests subject to general Club rules. There are Club Evenings for Racketball, 4.00-8.00 pm on Mondays and Fridays; and for squash, 4.00-8.00 pm on Wednesdays.

There is an active Racketball group which welcomes new members. Any Club member, irrespective of age, sex, or ability, is welcome to come along, and will be assured of a game. Most of the racketball regulars are on the court by 4.45. Racketball is played in a squash court, to rules very similar to squash, but with a larger ball and a shorter racket. It appeals to those who would like to learn (and enjoy) racketball. Active squash players who would like to polish their court craft in a competitive game which is less punishing on the joints than squash will enjoy racketball.

The Club does not at present have an organised squash group. If any group of Club members would like assistance in setting up a Wednesday Group, get in touch, and we can help start it off - also, hopefully, encourage you to join the racketball group for added practice.

**JOIN.** There is no charge!

Nick Prior.
