

📢 Important Notice:
WhatsApp Community – Sub-Groups

Dear Members,

To streamline our communication and make it easier for members to find relevant information, the Club will be activating the WhatsApp Community sub-groups for regular use from 16 August 2026.

From now until 15 August 2026, all announcements and notices will continue to be shared on the General Announcement page as usual.

From 15 August 2026 onwards, relevant announcements and notices will be posted in the respective sub-groups. Members who have not joined the relevant sub-groups will not be able to view the announcements posted there.

We therefore strongly encourage all members to join the relevant sub-groups by 15 August 2026 to ensure you do not miss any updates, announcements, or notices related to your areas of interest.

The purpose of this arrangement is to:

- ☒ Streamline Club communications
- ☒ Make it easier for members to find relevant information
- ☒ Avoid overcrowding the General Announcement page with too many messages

The General Announcement page will be reserved for Club-wide general announcements and important notices only.

Thank you for your cooperation and support in helping us make our Club communications more organised and effective.
