

Can't decide which Section to join? Well, we strongly PSC ANGLING SECTION. WHY ANGLING SECTION/ WHY FISHING?

To start with, nearly anyone, no matter age, income level or even fitness ability, can easily participate. Whether fishing alone or with family or friend, it is a hobby you should choose.

The very obvious and tangible reasons for joining the PSC Angling Section are:

- MONTHLY FISHING COMPETITIONS
- ANNUAL EVENTS
- SPECIAL BOAT RENTAL SUBSIDY
- OFFSHORE TRIPS
- EXPEDITIONS
- SOCIAL ACTIVITIES

We invite you (and your family) to join us and experience the remarkable atmosphere of the Angling Fraternity!

Below are more reasons for taking up fishing as a sport:

- *HEALTH BENEFITS*  
Fishing is an outdoor activity and is not physically demanding but it will benefit your body as a whole. Breathing fresh air is great for the mind and body!
- *THERAPEUTIC & SELF FULFILMENT*  
Fishing is known to have a calming effect on people and helps us to recharge our batteries in a natural way.  
Fishing can play an important role in one's personal and social development.  
Fishing is a lifetime skill and activity that can be enjoyed at any age.  
Fishing is a great experience & exudes an unforgettable memory.
- *STRESS RELIEF*  
Nothing, brings on the sense of being alive and helps to rebuild our personal reserves, like a day spent interacting with nature and the joy of landing a fish.... priceless.
- *SOCIAL BONDING (Quality Time with Family and Friends)*  
Fishing is a wonderful hobby to share with your loved ones because it allows a lot of time for conversation and bonding. Whether you are with friends or family, you are sure to enjoy quality time together.
- *THE THRILL*  
Fishing has a way of fulfilling an age-old need of pursuing and catching and is a fabulous way to engage in a some healthy competition.
- *UNPLUGGING FROM TECHNOLOGY*  
Fishing offers a way to cut back on screen time and gives us an opportunity to unplug from our digital lives and plug into something completely natural.  
Fishing is one way in getting children away from their computers and video games once in a while and yet which will help them see that you don't have to stare at a screen to have fun.
- *KIDS BENEFITS FROM FISHING*  
Don't we have problem getting kids these days (our kids as well) out in the fresh air and enjoy the great outdoors? Fishing offers you that occasion to do just that; so come join the Angling Section!
- *OTHER GOOD REASONS*  
You also learn valuable survival skills; acquire knowledge on angling, boating and conservation. You get to enjoy nature, wildlife, fresh air and scenery during expeditions, making friends and travelling to far off places for fishing, fresh wild, organic fish to eat and generally having fun.

***FISHING CAN DEFINITELY HELP YOU LEAD A HAPPIER, HEALTHIER LIFE!!!***
